OBJECTIVE

Mechanical Engineering Honors student at Texas A&M University seeking a hands-on internship contributing to real engineering projects and practical industry problems. Offers mechanical build experience, CAD/CFD training, and programming skills, with a strong interest in seeing designs move from concept to real-world application.

EDUCATION

Texas A&M University

B.S. Mechanical Engineering | Intended Minor in Computer Science
Engineering Honors | 53 credit hours completed
Lechner Merit Scholarship | HSF Scholar

GPA: 4.0

Expected May 2029
Aug 2025 - Present

TECHNICAL PROJECTS

2110cc Volkswagen Air-Cooled Engine Build

- Assembled a 2110cc Volkswagen air-cooled engine from individual components.
- Accommodated a unique stroke requiring cylinder and pushrod modifications during assembly.

4010 Tractor Electrical & Mechanical Restoration

- Contributed to restoring a 4010 tractor, including electrical rewiring and bucket reconstruction.
- Designed replacement bucket parts from available metal and helped reassemble the hydraulic system.

AI-Assisted Market Research System

- Built a Python-based automated research system to collect live market data through APIs.
- Developed a dashboard to monitor collected data, system status, and research results.
- Tested and refined research hypotheses through repeated analysis of collected market data.

LEADERSHIP & EXPERIENCE

Aggie Club of Engineers

Special Events Chair | Former Draft Class President

College Station, TX

Sep 2025 - Present

- Selected as 1 of 30 students from approximately 400 applicants.
- Guided first-year members through an organization build project as Draft Class President.
- Coordinate special events and logistics for organization-wide and joint student-organization events.
- Conducted external sponsorship outreach for a joint student-organization build.

American Institute of Aeronautics and Astronautics (AIAA)

General Member, Texas A&M's Student Chapter

College Station, TX

Aug 2026 - Present

Marcus High School UIL

Math Calculator Applications Team Lead

Flower Mound, TX

Jan 2024 - May 2025

- Led a four-person team to back-to-back district championships (2024, 2025) and regional placements of 2nd in 2025 and 3rd in 2024.
- Earned the highest individual district score among students in district in 2025.

Marcus High School Baseball

Varsity Pitcher / Student Aide

Flower Mound, TX

Aug 2021 - May 2025

- Trained 25+ hours/week | All-State Baseball Academic Award | Marcus HS Baseball Scholarship

TECHNICAL SKILLS & CERTIFICATIONS

Design & Analysis: SOLIDWORKS, Fusion 360, ANSYS Fluent (CFD), Excel

Programming & Data: Python, C++, API Integration, GitHub, SQLite

Certification: SOLIDWORKS 3D CAD for Education Specialization | ANSYS Fluent - Fundamentals of CFD
Google AI Professional | Google AI Essentials | Excel Basics for Data Analysis
